In a Million Words or Fewer...

August 31, 2009

Dear parents,

In an effort to get to know your students a little better, I have designed this optional assignment for *you* to complete (and here you thought you were done with homework!). The assignment is very simple: in a million words or fewer, tell me about your child. Your response can be an essay, poem, short story, song, drawing, anything that might help get to know your student. Please give your responses to your child by Monday, September 14. If you have any questions about the assignment or anything regarding my class, please don't hesitate to email me at smack@gusd.net. Thank you for taking the time to read this and I look forward to reading your responses!

Sincerely,

Mr. Shannon W. Mack
